Dear Mr. Wharram:

Re: C. Paige E. Leggat and Leonard O. Fagbamiye, Our File No. 20150100IN

I write further to my letter dated February 17, 2015.

It appears that your complaint is that legal counsel for the Executive Director of the BC Securities Commission did something wrong by selectively referring to portions of an exhibit (an offering memorandum) in the submission they filed.

There is nothing wrong with lawyers doing this in a submission. If the hearing panel ruled in your favour on this issue, it does not necessarily follow that the lawyers did anything wrong or unprofessional.

In conclusion, we will now be closing our file on the basis that your complaint does not raise a professional conduct concern for the Law Society.

Complaint process is confidential

This letter and other documents relating to this complaint are not admissible as evidence in any proceedings without the consent of the author of the material or the Executive Director pursuant to section 87 of the *Legal Profession Act*.

Yours truly,

A handwritten signature in blue ink, appearing to read "L. Knights", with a long horizontal flourish extending to the right.

Lynne Knights
Intake Officer, Professional Conduct
