Rodney Jack Wharram

Dear Mr. Wharram:

**Freedom of Information and Protection of Privacy Act (FIPPA)
(Request for Information)**

The British Columbia Securities Commission received your request to access information under the **Freedom of Information and Protection of Privacy Act (FIPPA)** on April 22, 2016.

We will work to provide the information available to you under the Act as quickly as possible. The Act allows 30 business days for us to respond to your request, so we will respond no later than June 6, 2016, sooner if possible.

If you have any questions now or during the processing of your request, please email foi-privacy@bcsc.bc.ca.

Yours truly,

Michele Cook
Assistant Secretary to the Commission
Office of the Chair

The Respondents waited until the close of business on June 6, 2016 and NOTHING came from the FIPPA Office or from the Office of the BCSC. It clearly says the Act allows 30 days but for whatever reason the BCSC has chosen not to comply with this section of the Act....

We can honestly say we are not surprised...just once again, this proves the Staff at the BCSC can (and will) disrespect the procedures put into place to protect the public.

How can they continue these actions??
